Feed The Family Endowment at St. Mary Parish, Evansville

The ladies from the Tuesday Morning Volunteers at St. Mary's Food Pantry in Evansville wanted to make sure that there would always be funding to help with this important community need. They volunteer every Tuesday morning distributing food to the needy in downtown Evansville. By creating the Feed The Family Endowment, they are guaranteeing an annual contribution to this ministry where they are involved and passionate. Currently, there are three endowments that support the St. Mary Food Pantry, including one for dental supplies started by a local dentist. These donors have all taken the steps to create a legacy that annually gives back to the St. Mary Food Pantry and helps to feed the family.

2009 Annual Report

Message from the Bishop

Dear Brothers and Sisters in Christ,

The Catholic Foundation of Southwestern Indiana is very much alive. For the third year in a row, the Foundation has made available distributions of nearly \$1 million to the 326 endowment holders. This is especially good news in spite of the severe downturn in the financial market.

Needless to say, we welcomed the sigh of relief that came with the fact that the market rebounded during 2009. We experienced gains of over \$4,000,000. We pray that the good news continues.

You will find within the pages of this annual report an exciting account of the results of the generosity of so many.

It is with great joy that so many of us continue to support our parishes, schools and other specific areas that assist so many now and for our future. I thank each of you who have contributed toward these Endowments, Charitable Gift Annuities and Donor Advised Funds.

Our Board Members are to be commended! Their leadership has been invaluable in carefully shepherding the Foundation through the troubling waters of this recession. They continue to be ever vigilant as they shoulder their fiduciary responsibility. Over and over I am in awe of their care and expertise.

What a tribute to the life of the Church in the Catholic Diocese of Evansville you are! I deem myself most privileged to serve as your bishop.

May the spirit of Bishop Simon Brute, Servant of God and our first bishop, continue to inspire all of us in the years to come!

Most gratefully and faithfully yours in Christ,

Most Reverend Gerald A. Gettelfinger
Bishop of Evansville

The Catholic Foundation gives generous people an opportunity to realize their philanthropic visions by establishing permanent gifts that will benefit the areas important to them within the Diocese of Evansville. We provide a flexible array of services that help donors shape a meaningful charitable legacy.

Our goal is to engender positive change in the area of interest to our donors. An important objective is to honor and oversee a donor's wishes now and for future generations.

Above all, we make giving simple. Our donors can focus on philanthropy, without worrying about the administrative, legal or tax complexities involved in charitable giving to one or many organizations.

The Catholic Foundation can administer a donor's philanthropic giving, both now and after their death. As a separate foundation, we can deliver optimal tax advantages to our donors while protecting these gifts forever. These permanent assets are invested for maximum total return and to preserve the corpus value of each endowment.

We offer donors the opportunity to make charitable contributions that are well-managed and effective. Our 25 member Board of Directors represents every Deanery within the Diocese of Evansville and oversees the management of over 325 permanent Endowments, Charitable Gift Annuities and Donor Advised Funds.

Thomas and Ann Scheitlin Scholarship

Students at Reitz Memorial High School are the recipients of the Thomas and Ann Scheitlin Scholarship. Each year, the scholarship provides tuition assistance because of

this permanent gift. Originally, a Charitable Gift Annuity was established that would have provided for the start of this scholarship through the residual from the annuity. The family, however, wanted to see it assist students now so this new endowment was started in 2009 to provide the opportunity of a Catholic education for others.

Message from the Chairman

Dear Foundation Friends:

We have just completed another challenging but successful year while providing financial security for our parishes. This success is reflected in the 25 new endowments bringing us to a total of 326 with a market value of over \$22.2 million. We were also able to distribute nearly \$1 million to various parishes, schools and other wonderful causes. Finally, with the assistance and support of the parish liaisons, the Foundation brought in 621 new gifts totaling \$1 million.

On behalf of the Board of Directors, I want to thank you for your sustained confidence in your Foundation and its important mission. On our part, we wish to assure you that we will continue to support the goal of the Foundation to uphold sound investment policies with the guidance of staff, volunteers and investment professionals. This vision has allowed us to experience modest growth in financially difficult times.

We invite you to visit our updated website at

or call our office at 812-424-5536.

Our staff will be happy to assist in any way possible.

Sincerely,

The Adelaide Rosenberger Endowment, St. Boniface

Throughout Adelaide Rosenberger's life, her parish was the center of her world. For over 100 years, this petite, humble woman loved her parish and the religious who served the parish. It was a quiet gesture that Adelaide made before her death that will forever make a difference to the parish she recalled as so beautiful. In her Will, Adelaide left a gift to the parish with the instructions that it be used for the maintenance and beautification of St. Boniface Church. This year, the Adelaide Rosenberger endowment was established and will provide annual assistance to honor her wishes forever.
